

# ***A Sample Commitment for Small Communities***

During the first meeting, the small-community leader encourages participants to agree on certain principles to facilitate the process of faith sharing.

These statements can be distributed at the second meeting as a reminder to all. Below is a sample small Christian community commitment.

## ***The Sowers' Commitment***

*As a small Christian community, we agree*

- to meet every Tuesday evening from 7:30 to 9 p.m.
- to begin and end on time
- to read the materials beforehand
- to hold in confidence what others say
- to share with honesty and openness
- to allow others to speak first before speaking a second time
- to be comfortable with silence
