

## Inviting Specific Groups

The ideal approach is to invite everyone in the parish to participate in the *ARISE Together in Christ* process. Making a general parish invitation is only part of the solution, because the invitation needs to reach out to those who, for whatever reason, are not touched by such a general message.

That is why the *ARISE* parish team, in addition to the general invitation made every season, should adopt a strategy of identifying and inviting a specific group each season.

### **Specific group for Season I**

#### **Develop a timetable**

- what needs to be done?
- by what time?

#### **Gather materials**

- what is needed for the invitation to be effective?  
For example:
  - email addresses
  - list of people who are homebound
  - list of parents of recently baptized

#### **Assign tasks**

- who is responsible for what?

#### **Practice strategy**

#### **Evaluate**

- what went well?
- what proved to be more challenging?
- what do we need to change for the next time?
